Built in 2021 and impeccably maintained, this exceptional West Roseville home with solar lives like a single story with a downstairs primary suite, a downstairs bedroom and full bathroom for guests or multigenerational living, a spacious bonus room, bedroom, and full bathroom upstairs, and a beautifully landscaped backyard. Located in the desirable St. Maritz at Sierra West with tree lined sidewalks, this home features charming curb appeal with a Mediterranean style elevation with shutters, low maintenance landscaping including a gorgeous bougainvillea, and a covered porch with a Ring camera doorbell, outlet for holiday lights, and keyless entry. Recessed lighting and 5 1/4" baseboards throughout. Entertain in the great room with tile flooring that looks like hardwood, a gathering room with vaulted ceilings, a dining area, and a stunning kitchen. Prepare gourmet meals in the generous kitchen that features a large island with counter seating, quartz countertops, decorative tile backsplash, plenty of rich cabinetry with roll-outs, stainless steel appliances, including two ovens and a built-in cooktop, and a walk-in pantry. Private and spacious downstairs primary suite with a large walk-in closet with shelving and room for a sitting area. Relax from the day in the spa-like primary bathroom with a dual sink vanity with quartz countertops and a framed mirror.
